How the course works

1. **Orientation (6 Nov)** — meet the course, the Band descriptors, the book, and DreamEd AI.
2. **Class 1 — Foundation** — one single class: 7 Golden Rules, DWE, starters, gap fillers, all 50 idioms.
3. **Classes 2–5 — Part 1** — all 156 Part 1 topics from the book, finished across 4 classes.
4. **Classes 6–10 — Part 2** — all 86 cue cards from the book, finished across 5 classes.
5. **Classes 11–12 — Mock tests** — two full IELTS Speaking mock tests (Parts 1, 2, 3) with individual feedback and a personal Band improvement plan.

The homework system (every class): - Homework is given at the end of every class. - All homework speaking practice is done on **DreamEd AI** — instant feedback, recorded practice. - Every class begins with a short **mini mock test on the previous class's homework** — so homework is always checked, never just assigned. - Class 12's final mock test serves as its test.
